30 I will let you down I will make you hurt

I wear this crown of thorns
 Upon my liar's chair
 Full of broken thoughts
 I cannot repair
 Beneath the stains of time
 The feelings disappear
 You are someone else
 I am still right here

What have I become
 My sweetest friend
 Everyone I know goes away
 In the end
 And you could have it all
 My empire of dirt
 I will let you down
 I will make you hurt

If I could start again
 A million miles away
 I would keep myself
 I would find a way
